Scientific Presentations and Publications

2007

Canadian Cardiovascular Society:

FRANCOFORME: FRENCH MINORITY OF ONTARIO AT HIGHER RISK OF CARDIOVASCULAR DISEASE
BENEFIT FROM WEEKLY LIFESTYLE INTERVENTION

2006-2007

Member of the Expert Comity for the Champlain Cardiovascular Disease Prevention Network (CCPN) establishing guidelines on lipid management.

Administrative duties

2008 to present

Director of the FrancoForme Program at the University of Ottawa Heart Institute. We have been awarded permanent funding of \$150,000 yearly through Local Health Integrated Networks (LHIN) of Eastern Ontario as of April 2008. These duties include strategic planning, weekly meetings, personnel supervision and evaluation, budget overview, support and training of new and established satellite sites, data analysis, developing French education materials and submitting yearly reports to the LHIN. As well, we have established and maintain close collaboration with all francophone organisations and stakeholders within our region which allows for ease of referral of participants.
