INSTITUT DE CARDIOLOGIE
DE L'UNIVERSITÉ D'OTTAWA

Cardiac PET Research

VOLUNTEERS NEEDED

**If you have no previous history of heart disease,
then you might be eligible for our study.**

Volunteers will be asked to undergo Positron Emission Tomography (PET) imaging. The information collected will be used to develop guidelines for future clinical imaging procedures.

To find out if you are eligible, please call the
Cardiac PET Clinical Research Office at
613-761-4809

This research study has been approved by
the University of Ottawa Heart Institute Human Research Ethics Board
