

High Resolution Cell Imaging Core Facility

2019-2020 Fee Schedules

EQUIPMENT USE:

FLOW CYTOMETRY/ CELL SORTING

BD FACS Aria IIIU	Hourly Charge	
	Internal UOHI	External Academic
Analysis	\$50	Contact for quote
Sorting*	\$60	Contact for quote

Note: Alternative payment plan available.

**Sorting is performed by a dedicated technologist.*

HIGH RESOLUTION IMAGING

Equipment	Hourly Charge	
	Internal UOHI	External Academic
Zeiss Elyra S.1 LSM 880 Airyscan Confocal	\$30	Contact for quote
Olympus IX81 Confocal	N/A	Contact for quote

Note: Alternative payment plan available.

Includes live-cell imaging platforms.

IMAGING

Equipment	Hourly Charge
Leica Aperio Versa 8	\$20 Fluorescent \$30 Brightfield
Zeiss AxioImager A2 Observer Fluorescence Microscope	\$15
Leica Upright Light Microscope	\$15
Leica DM2500 Light Microscope	\$15

Note: Alternative payment plan available.

TISSUE PROCESSING

Equipment	Hourly Charge
Leica 3050S Cryostat	\$15
Thermo Scientific HM550 Cryostat	\$15
Leica RM2135 Rotary Microtome	\$15

Leica RM2255 Automated Rotary Microtome	\$15
Leica EG1160 Embedding Centre	\$15
Thermo Scientific STP-120 Tissue Processor	\$15/ run + Reagent Contribution Fee

Note: Alternative payment plan available.

ALTERNATIVE PAYMENT PLANS (Internal UOHI Only)

Flow Cytometry / Cell Sorting	
BD FACS Aria IIIU Annual Unlimited Use	\$3,000.00
High Resolution Imaging	
Zeiss Elyra S.1 LSM 880 Confocal Annual Unlimited Use	\$2,000.00
Imaging Microscopy	
Leica Aperio Versa 8 Annual Unlimited Use	\$500.00
Tissue Processing & Imaging Equipment	
Histology Equipment Annual Unlimited Use	\$2,000.00

**Reagent Contribution Fees still apply.*

For **External users**, please contact for quote.

HISTOLOGY SERVICES:

TISSUE PROCESSING

Fee-for-service available upon request for the following:

- Histology
- Staining
- Immunohistochemistry
- Protocol development
- Image processing

SPECIMEN PROCESSING

Service	Fee
Complete service (processing, embedding, cut, 1 H&E)	\$4.03
Processing and embedding	\$2.09
Cut and H&E	\$1.95
Unstained section	\$0.89
Freezing/ block	\$6.95
Frozen block cutting (H&E included)	\$2.38
H&E stain	\$1.06
Histochemical stain/ setup	\$10.85
Simple stain/ batch (23 slides)	\$1.97
Trichrome stain/ batch (23 slides)	\$21.94
Complex stain/ batch (23 slides)	\$38.76

Antigen demasking/ batch (20)	\$6.95
Deparaffin and/ or mount/ batch (30)	\$5.78
Immunostain setup	\$25.85
Additional immunostain/ slide	\$11.53
<i>Contract package pricing available upon request. External users include a 15% additional fee.</i>	

CONTACT US:

40 Ruskin Street, H5230
Ottawa ON K1Y 4W7

Dr. Katey Rayner, **Core Director**
Email: krayner@ottawaheart.ca

XiaoLing Zhao, **Histology Technologist**
Tel: 613-696-7000, ext 10451
Email: xzhao@ottawaheart.ca

Mr. Bin Ye, **FACS Technologist**
Tel: 613-696-7000, ext 16725

Cassie Roeske, **Research Officer**
Tel: 613-696-7000, ext 15254
Email: croeske@ottawaheart.ca

Additional Information:

- i. Prices are valid for 2019-2020 fiscal year.
- ii. Invoices will be emailed on a monthly basis to the Principal Investigator.
- iii. A \$25.00 cleaning fee will be charged to users who do not clean or properly maintain equipment after use.
- iv. A minimum of ½ hour (or 1 run) charge will apply to all equipment. Charges will be calculated in ½ hour increments.
- v. Signup system for all equipment applies. Note: Cryostats, Zeiss Confocal, BD FACS and Aperio Versa equipment are booked through the UOHI PPMS online booking system: <https://ppms.us/ohi/?UOHI>
- vi. After regular hour usage of the lab equipment, nights & weekends, must be pre-approved by the Technologist.
- vii. We are available for teaching, training and consultation.
