

## WHY DO WE COLLECT YOUR CONTACT DETAILS INCLUDING EMAIL ADDRESS?

INFORMATION FOR OUR VALUED PATIENTS AND VISITORS

### Why do we collect your contact details including email address?

- The University of Ottawa Heart Institute would like to collect your contact details including email address to survey you on your recent patient experience.
- The University of Ottawa Heart Institute Foundation and the University of Ottawa Heart Institute Patient Alumni Association share news and information by email. These include events, heart health resources, and ways to get involved.

You can remove your contact details including email address from our mailing lists at any time.

**To remove your contact details immediately, email the Privacy Office at**

### The University of Ottawa Heart Institute Foundation

The Heart Institute is a globally recognized leader in heart health care, treatment and research. With the help of the community, our Foundation plays an important role in making this world-class care possible. The Foundation raises money for equipment, facilities, patient programs and research. Donations help us save lives every day.

**If you would like to know more, contact us at**

### The University of Ottawa Heart Institute Patient Alumni Association

The Patient Alumni Association works to engage and support patients. It also supports their family, friends, and caregivers.

As a patient of the Heart Institute, you are already a member of the Alumni.

### By engaging with us at events, lectures, and workshops, Alumni members:

- learn about heart conditions and treatments;
- discover support networks for patients, their families, and caregivers;
- bring the patient perspective into the design of care and research, and;
- improve patient outcomes and experiences.
